From :-

The Secy to the Hon'ble the Resident
No F. 6442/W dated 10th April 43 forwarding copy of Southern Army C.E's letter, and requesting that Govt be requisitioned the Stores required by Southern Army.

It is evidently the desire that Govt should issue an order under Rule 75 A (1) of the Defence of India Rules requisitioning the Stores available with M/s. The Nilgiri Electric Stores Devarapura for water supply Work at Hubli. It is also for the reason that the fixation of Compensation to the merchants can be arranged by the Controller of Supplies & Circle. Whenever Govt requisitions or acquires any movable property the owner thereof shall be paid such compensation as that Govt may determine (Vide sub clause 4). Hubli for orders whether an order may be issued under the Defence of India Rules requisitioning the Stores as desired. The Stores can be taken over by the Garrison Engineer Hubli.

COMPENSATION FOR STORES REQUISITIONED FROM [illegible]ATIONAL ELECTRIC STORES, DAVANGERE.

- - - - -

Sir,

I am directed to refer to the correspondence ending with your letter No.Pol.1620/War 283-42, dated the 3rd February 1944.

The Government of India in the Supply Department have considered the suggestions made in the letter from the Government of Mysore, No.Pol.1152/War.283-42-23, dated the 11th December 1943 and they recommend that the firm may be paid Rs.5,008/9/6 (Rupees five thousand and eight, annas nine and pies six) as compensation for the requisitioned stores. A copy of a letter from the Controller of Supplies, South India Circle to the Government of India, Department of Supply, No.C2/MR.224, dated the 15th February 1944 showing how the compensation amount has been arrived at, is enclosed. This Residency's endorsement dated the 17th December 1943 and letter dated the 8th February 1944, correspond to your letters dated the 11th December 1943 and 3rd February 1944, referred to above.

3. It will be seen that the rates proposed by the Government of Mysore have been accepted, except when the firm itself has claimed less. I am to request that the amount of compensation recommended by the Government of India may kindly be paid to the firm by the Government of Mysore and a debit raised against the Government of India through the Accountant General, Madras.

4. I am also to request that four copies of the acquisition and compensation orders issued by the Govern-

Government of Mysore may kindly be furnished to this Residency.

Ref: Your F.SE(2)-22(42) dated 24-1-44.

Sir,

In continuation of my letter of even No. dated 1-2-44, I have the honour to state that the particulars called for have been received from the Secy. to the Hon'ble The Resident at Bangalore, and are given below with my recommendation of compensation payable in this case. The Mysore Government's order was served on 22nd April '43, on M/s. National Electric Stores, Davangere and the materials were taken over by the G.E. Mysore. A list of stores taken over by him has been given by the C.E. Bangalore in his letter No.3021/194/E3C dated 4-10-43 addressed to this office with a copy to D.G.I.P. Calcutta, Supply Dept. M.D., E.I.C., & C.R.E. The footage and the No. of pipes and fittings listed by the C.E. Bangalore are in conformity with those indicated in the firm's claim, (copy enclosed) and in the Mysore Government's statement (copy herewith enclosed) with the exception of the last item of G.I. broad Socket pipe 2½" against which quantity in letter is 89 lbs. by C.E. and the firm are 112 lbs. by the Mysore Government. The correct quantity against this item has been taken as 89 lbs. as per C.E.'s intimation. The firm's confirmation in their claim and consequent deduction pointed out and made from the total compensation proposed by the Mysore Government.

As regards compensation payable in this case, copy of the Resident's endorsement No.F.64-42/A dated 17-12-43 and demi letter No.F.64-42/A dated 8-2-44 are enclosed for reference. It will be seen that while

the

the compensation claimed by the Company is Rs.5376-13-6. that proposed by the Mysore Government is Rs.5136-10-0 for the stores, old and new taken over; and the rates against various items are approved by the Mysore Stores Purchase Committee and are in keeping with the market rates prevailing at the time of requisitioning and according to the condition of the material. There are no controlled rates for the stores in the Mysore state, nor have any rate contracts been entered into by the Stores Purchase Committee. Against 3 items viz. G.I. Pipe (New), G.I. Elbow 1" (New) and G.I. Bend 1" (New), the firm has claimed lesser rates than those proposed by the Mysore Govt. As these only need be allowed the difference in cost deducted from the compensation proposed. The amount to be deducted on this account and for the difference in the quantity pointed out in paragraph 1, works out to Rs.128-0-6 the compensation payable should be Rs.5136-10-0

less this sum), that is 5008- 9-6

This amount is recommended for payment with the concurrence of the F.A. attached to this Circle. The case may be finalised early under advice to this office.
